

## Shadowmatch Price Grid 2019

### Option A: Pay-as-you go

PAYG use of the system as needed, usage invoiced on a monthly basis. All other system functionalities included at no extra cost.

Shadowmatch Codes	Personal Development Programmes (PDPs)	Work Relationship Reports
\$100.00 per code	\$100.00 per PDP	\$40.00 per report

### Option B: Custom / Bulk purchase

Once off bulk purchase of a specific number of codes/PDPs more than 50, the more codes/PDPs purchased the cheaper the cost per code/PDP. Payed in one invoice. All other system functionalities included at no extra cost.

The price is determine by an algorithm based on number of codes or PDPs. Please refer to the live bulk purchase calculator on the consultant page on [www.shadowmatch.com](http://www.shadowmatch.com)

### Option C: Subscription

The subscription pricing option is a monthly rental of the system and all functionalities. It gives the client access to full use of the system for their employees and applicants. The cost is determined by number of employees.

The price is determine by an algorithm based on number of employees. Please refer to the live subscription calculator on the consultant page on [www.shadowmatch.com](http://www.shadowmatch.com)

<b>Maximum number of codes per annum</b>	3 times the number of employees. E.g. if a company has 150 employees then the subscription allows a maximum of 450 codes per year.
<b>Maximum number of PDPs per annum</b>	1.5 times the number of employees E.g. if a company has 150 employees then the subscription allows a maximum of 225 PDPs per year.

Consultants are responsible for implementation and additional consulting fees must be negotiated with the client.
